Tailor your term

We offer hundreds of courses across six academic faculties. Most of these are open to Study Abroad and Exchange students.

How do you know what term is best for you? Work out how many credits you need to transfer back to your home institution, which term dates suit, and build your program from there.

Standard Terms:

For those wanting 18 UNSW Credits (22.5 ECTS/3 courses)

Tailored Terms:

For those wanting 24 UNSW Credits (30 ECTS/4 courses). Students take 1 course in either our Summer (January) or Winter (August) Term, and 3 courses in a standard Term.
