Welcome to James Cook University

Education is critical. It is through education that we gain knowledge and develop new skills, learn the value of hard work, deepen our understanding of the world and grow as people able to contribute to society and shape a brighter future. Education also provides for broader perspectives, better jobs and rewarding careers. It can help us dream, explore, have fun, and make lifelong friends.

As you start your international education journey, our commitment to you is that JCU is about all these things. We are also about great student experiences and exceptional academic and career outcomes and for more than 50 years, JCU has helped create a brighter future through students and graduates who make a difference.

We have a strong international reputation, ranked among the top 250 universities in the world1. JCU is number one in the world for marine science and freshwater biology2, and is independently rated five stars for student support, learner engagement, skills development, full-time employment, and social equity3. These accolades are hard-earned and are a tribute to the commitment of academics and professional staff in supporting students to becoming well-rounded graduates.

The COVID-19 global pandemic and international travel restrictions have resulted in changes to teaching and learning at JCU, in order to keep everyone safe and adhere to Australian Government guidelines. We have made adjustments to our course offerings to enable students in some courses to study online, and will continue to work closely with our students to ensure they gain the best possible outcome from their time studying with us, and develop the skills, knowledge and confidence to launch their careers.

We are committed to you having a student experience that is life changing. While you may begin study with us online from abroad, you will still have access to the work rights associated with studying in Australia. This means when it comes time for you to join us in person, you can immerse yourself in one of the most fascinating places in the world and experience the Great Barrier Reef, Daintree Rainforest, and the great Australian outback, work with regional and remote communities or explore ecosystems as living laboratories.

During times of uncertainty, education increases in its importance to you and your community and an educational experience that crosses international borders and engages international perspectives is becoming more important than ever. Thank you for taking the time to explore JCU. We look forward to creating a brighter future through graduates - you - who make a difference across the globe.

Professor Sandra Harding AO
Vice Chancellor and President

James Cook University values and celebrates the diversity of our community and is committed to ensuring our learning and working environment is safe and welcoming.

JCU is proud to be part of the Respect. Now. Always. campaign – a national initiative led by Universities Australia to highlight our determination to ensure our students and staff are safe from discrimination and sexual harassment. Further information about the campaign and free services available for students can be found at jcu.edu.au/sew

Our commitment to Australian Aboriginal and Torres Strait Islander peoples

James Cook University is committed to building strong and mutually beneficial partnerships that work towards closing the employment, health and education gap for Australian Aboriginal and Torres Strait Islander peoples.

Our students come from many backgrounds, promoting rich cultural and experiential diversity on campus.

We acknowledge the Australian Aboriginal and Torres Strait Islander peoples as the Traditional Owners of the lands and waters where we operate our business. We honour the unique cultural and spiritual relationship to the land, waters and seas of First Australian peoples and their continuing and rich contribution to James Cook University (JCU) and Australian society.

We also pay respect to Ancestors and Elders past, present and future.

Coming Together and Respecting Difference

Acrylic on linen by Kassandra Savage (JCU Alumni)
Language group: Waanyi and Walangama clan part of Gluthaara/Kukatj nations

JCU acquired this artwork as part of our commitment to implement the Reconciliation Action Plan. The artwork represents JCU’s story in an Australian Aboriginal and Torres Strait Islander way:

- Circles in the middle depicts JCU as a meeting place
- Outer circles are JCU’s linkages to communities through their students who return home to share their new knowledge and understandings
- Different patterns within the hands and arms are the differences between and within Aboriginal, Torres Strait Islander, and multicultural Australia. There are also similarities in the hands and arms used to illustrate us standing together for equity and equality
- The ripple effect in the arms and hands represents our reconciliation journey; starting small, growing bigger and reaching out to touch more and more lives. The effect gathers momentum to develop support and understandings. The circles represent the importance of yarning circles, meeting circles, and communities, in order that we can connect with each other.
Living and studying in Northern Queensland is a truly unparalleled experience. Enjoy hands-on learning opportunities in unique and spectacular locations – including UNESCO World Heritage listed rainforests and the Great Barrier Reef. You’ll explore, discover, grow and make unforgettable memories.

Discover the best of tropical North Queensland

Our region is one of the world’s leading hubs for coastal and tropical science and environmental studies. So, if you’re interested in the future of the planet, there are few better places to study.

There is no place on Earth like the North and Far North regions of Queensland, which feature an extraordinary combination of reefs, rainforests, significant coastal, mountain and outback ecosystems, and Indigenous centres.

North Queensland offers a unique combination of:
- One of the oldest Indigenous cultures
- Tropical climate
- Sustainable environments, and
- Multicultural population.

In addition to the sunshine and picturesque natural wonders, Northern Queensland also has a significantly lower cost of living than Australian cities such as Brisbane, Melbourne and Sydney.

JCU is home to international students from more than 100 countries and is passionate about giving students from all over the world opportunities to get an exceptional education.

Maximise study-life balance

Northern Queensland makes the perfect base for a great range of outdoor recreational activities, such as:
- Rainforest hiking
- Mountain biking
- Snorkelling and scuba diving on the reef.

Enjoy our famous beaches, where white sand and crystal-clear waters await you. You may even see some of our unique native Australian animals! Have fun and get ready for an adventure – all at JCU.
The Smithfield rainforest mountain-bike trail is the oldest in the country and located directly behind JCU’s Cairns campus.

Enjoy living in welcoming, multicultural and student-friendly communities.

Enhance your employability and advance your career in Australia and globally through the Professional Employability Program delivered in partnership with employability experts Career Ahead.

The Program is available within the following degrees:
- Master of Data Science (Professional)
- Master of Engineering (Professional)
- Master of Science
- Master of Science (Professional).

Professional Employability Program Units and Schedule
The Program is completed throughout the duration of the JCU masters program and includes three elements:

1. Professional Employability Subject
Covers career planning, employability skills, professional networking and navigation of the recruitment process and includes regular industry involvement via keynote speakers, industry panels, work-based simulations and case studies.

2. Employability Passport
Access a range of resources to support career planning and enable development of a personal employability portfolio.

3. Industry Placement
The Industry Placement is offered as a subject within your course, typically towards the completion of study. We work with students to identify meaningful industry partners and placements aligned to subject outlines and assessment requirements. Benefit from Career Ahead’s many hundreds of industry relationships nationally and internationally.

“JCU’s Professional Employability Program has helped me develop a clear career plan, and understand the steps I need to take to achieve my goals. I’ve developed skills in a range of new areas and have enjoyed the opportunity to network with industry partners and gain practical experiences to suit me globally.”

JCU’s proximity to the Great Barrier Reef means students have easy access to a diversity of marine and coastal ecosystems.

JCU’s research includes:
- Physical Chemistry and Environmental Geoscience
- Plant Biology
- Public Health and Health Services
- Sociology
- Specialist Studies in Education
- Technology
- Tourism
- Veterinary Sciences
- Zoology.

Unrivalled access to environmental sites

JCU campuses and research hubs are on the doorstep of some of the world’s most spectacular environments, including:
- The Great Barrier Reef Marine Park
- The rainforests of the Wet Tropics
- The savannahs of Cape York Peninsula
- The deserts of the arid outback.

These living laboratories provide JCU staff and students with unlimited opportunities. Governments and global businesses consider JCU’s research as central to the future of the tropics.

JCU has strong links with rural, remote and Indigenous communities in the Asia Pacific region. Many local, national and international research organisations and industry groups collaborate with JCU. These linkages help ensure our courses are research-rich and reflect the latest innovations. Many of our staff and students are co-located with researchers from partner institutions.

Accommodation

Find the right accommodation for you to call home at JCU.

Living on-campus
Living on-campus is a great way to make new friends and immerse yourself into the JCU and Australian culture. By living somewhere comfortable and conveniently close to where you study, you can improve your overall student experience. Our on-campus options range from long corridor-style, fully-catered residences to smaller self-catered facilities. With so many options available across our different campuses, you can find the perfect place to suit your needs.

Support and security
Living on-campus is so much more than just a room. It is a safe, secure and fun way to study. All residences include academic, wellbeing and social support.

- Each bedroom has a lock that only you and our staff can access. Only residents get after-hours access to any buildings
- Security cameras throughout the buildings. JCU security are on-campus and patrol the grounds 24/7 and can escort you back to your residence if you are studying late at night
- Our on-campus team are here to support you. They are there to talk to when you need support, check on you and make sure that your health and wellbeing are on track for you to achieve your academic goals.

Find the right option for you
JCU has on-campus accommodation at JCU Townsville and JCU Cairns. JCU Townsville has five different accommodation options that house over 1,200 students, and JCU Cairns has a brand-new complex for 300 students. Whether you need accommodation for a semester or for your full degree, there are plenty of options available.

- All rooms at our on-campus residences are single board, with a single bed, study desk, chair, fan, air-conditioning and Wi-Fi
- Each residence has a different style of living, culture and atmosphere. There are options for fully catered meals, which can be adapted to dietary requirements, or self-catered housing.

Enjoy living in accommodation close to campus with students from diverse nationalities.
Living off-campus

Off-campus housing can include sharing a house with other students, off-campus student accommodation or renting an entire property.

Before committing to a property or room off campus, always check:

- What you are getting is part of your lease. For example, images of the property with furniture may have been put there for marketing purposes only.
- Dates and length of time you are committing to. You will be signing a legal document, which you may not be able to break if you change your mind.
- The property is located close to the university campus, bus stops and amenities.

Homestay

With homestay accommodation, you are matched with a local family from the area to live with. All homestay hosts have been:

- Screened by the JCU’s homestay provider, and
- Undergo training to provide a high level of service and comfort to the student.

The newest accommodation at JCU Townsville campus will open in 2022 and will be home to more than 400 students. Designed to provide contemporary and affordable student accommodation in a secure, safe and environmentally sustainable environment, the facility will feature study bedrooms in group-share accommodation, high-quality communal facilities, and a centralised, self-catered ‘master-chef’ style kitchen and dining space. Scan the QR code for a flythrough of the new facility.
Funding your studies and scholarships

Studying at university is an investment in your future. Enhance your career opportunities with a degree designed to develop real-world skills.

When preparing your budget, we recommend you factor in all your possible expenses, including Overseas Student Health Cover (OSHC), Student Services and Amenities Fee, textbooks, study materials, living expenses and additional expenses associated with clinical placements, internships and fieldwork.

To help guide you, we've detailed what study costs you may incur as well as costs to think about before you arrive that are related to your studies.

### Tuition Fees

2022 International tuition fees for all levels of study are detailed from page 24.

### Incidental and Administration Fees

Some courses have Incidental and Administration Fees for compulsory purchases not covered by your tuition fees such as uniforms, safety equipment and participation in course-related field trips.

### Student Services and Amenities Fee

The Student Services and Amenities Fee is a compulsory fee for JCU students and is used to provide a range of student support services and facilities.

### Overseas Student Health Cover (OSHC)

OSHC is insurance to assist international students in meeting the costs of medical and hospital care that they may need while in Australia. As an international student, it is a condition of your student visa that you have OSHC for the entire duration of your stay in Australia.

### Financial Aid

JCU processes financial aid for students from a variety of countries. JCU is also registered as a provider to certify and administer US Federal Aid for new and continuing US students located at our Cairns and Townsville campuses.

1 Only available externally
2 Not all Majors/Education study areas available on all campuses, check jcu.edu.au for details.
3 Not all Majors available for mid-year entry, check jcu.edu.au for details.
4 This course includes compulsory fieldwork which will incur additional non-tuition costs. Based on 2021 fees it is anticipated that the maximum non-tuition cost should not exceed $1,000 irrespective of major.
5 no component lower than 6.5
6 Psychological major - Band 1; Health major - Band 2; all other majors - Overall IELTS of 5.5 with no component less than 5.0
7 All applicants for initial teacher education courses must satisfy both academic and non-academic entry criteria. QTAC assesses applicants’ non-academic capabilities using an instrument developed with the Australian Council of Deans of Education. Students must meet English language proficiency requirements for teacher registration in Australia, either on entry to or graduation from the program.
8 External students enrol in sequential subjects in SP81, SP82, SP84 and SP86 and complete in 5.3 years
9 Trimesters offered in Brisbane and Singapore only.
10 Online available to off-shore students only.
11 T1, T2, T3 = Trimester 1, 2 or 3.
12 S1, S2 = Semester 1 or Semester 2.

### Undergraduate academic entry requirements

The following scores are a guide for entry into JCU undergraduate courses at school-leaving level in 2021. Students with existing university qualifications (or equivalent) will be considered for entry and may be eligible for credit. Joint degree entry requirements are determined by the degree with the highest entry score.

**English entry requirements**

*Students who are not proficient in English must demonstrate English language proficiency by achieving a score in a test such as Academic IELTS, TOEFL, Pearson (PTE Academic) or Occupational English Test (OET)* – see table below.

Other English language tests may be accepted as proof of English language proficiency. English band requirements for each course are listed in the tables from page 24.

### English language tests minimum scores

Official English test results are usually valid for two years. As a response to the COVID-19 pandemic, the validity of official English test results is extended to three years for all 2022 courses, except the Bachelor of Nursing (Pre-Registration). The results must be valid at the time of study commencement.

Approved by Academic Board 29 April 2019

### Course specific English entry requirements

**Bachelor of Speech Pathology:** Academic IELTS – 7.0 (with a minimum writing score of 6.0; minimum speaking score of 8.0; minimum reading and listening score of 7.0).

**Bachelor of Education (ECE) (Primary) (Secondary):** Academic IELTS– at least 6.5 with subscore no less than 7.0 in Speaking and Listening and no less than 6.0 in Reading and Writing or TOEFL iBT overall score of 86 with no less than 24 in Speaking and Listening, no less than 21 in Reading and Writing or Pearson (PTE Academic) overall score of 58 with no less than 65 in Speaking and Listening, no less than 54 in Reading and Writing.

**Master of Teaching & Learning (Primary) and Master of Teaching & Learning (Secondary):** Academic IELTS– at least 7.5 with subscore no less than 8.0 in Speaking and Listening and no less than 7.0 in Reading and Writing or TOEFL iBT overall score of 108 with no less than 28 in Speaking and Listening, no less than 24 in Reading and Writing or Pearson (PTE Academic) overall score of 73 with no less than 79 in Speaking and Listening, no less than 65 in Reading and Writing.

**Higher Degrees by Research (HDR):** Competitive JCU scholarships require students to meet Band 3a requirements.

Other English language tests may be accepted as proof of English language proficiency. Some qualifications may satisfy our English language requirements.

Students who meet the academic entry requirements for entry into a JCU degree, but not the English language entry requirements, may be eligible to receive a ‘packaged offer’ consisting of a period of academic English language studies, plus an offer into a JCU course. Some courses may require an IELTS test after completion of the EAP program.

“As an international student from the US, I’m used to large lecture sizes which limits the amount of time you get interacting with your professor. The smaller lecture sizes JCU offers enable you to learn from leading scientists on a first-name basis, which really adds to the overall learning experience.”

4 Submit EOI to your potential supervisor
Submit your completed EOI form for a Higher Degree by Research to your potential research supervisor(s).

5 Submit your Candidature Application online
- Select ‘Apply International’ and register as a first time user on JCU’s application portal using your full legal name as it appears on your passport
- Prepare electronic copies of your documentation as requested on the website – for example, academic transcripts, academic English proficiency results, and your advanced standing (credit) application
- Please note: Your academic transcripts must be accompanied by the grading scale used at the institution where you undertook your studies. If your documents are not in English, you must include an official translation
- If your native language is not English you need to demonstrate your English language proficiency, please see page 14. Applicants who have successfully completed two years of full-time study in which the language of instruction was English may satisfy the English requirement
- Complete all the questions and upload all your documents. You can save and continue the application later if you need to.
- Submit your application

6 Assessment
JCU will assess your application based on the documents provided and the course selected. You will be advised of any additional documentation required.

7 Receive your offer
If your application is successful then JCU will send your offer by email.

Your offer letter includes:
- name and duration of the course you have been accepted into
- tuition fees, student services and amenities fee, and Overseas Student Health Cover
- any advanced standing (credit) awarded for previous study (if subject outlines from your previous study were provided with your application)

8 Accept your offer
Once you have received your offer, please sign each page, complete the Acceptance and Payment form, ensuring you meet any conditions outlined in your offer Schedule and return it to International Admissions, or your JCU representative, along with any payment as set out in your offer letter.

9 Apply for your Student Visa
JCU will then issue you an electronic Confirmation of Enrolment (eCOE). This is the document you need to obtain your Australian Student Visa from your nearest embassy or consulate in your home country.

“The highlight of my study experience has been my 2nd year rural placement in Emerald. We (the students) were welcomed like family. The staff invited us to trivia nights, social gatherings, and made us feel at home. The patients were wonderful, and happy to let us practice newly learned clinical skills. Weekends were spent exploring the countryside and fossicking (prospecting) for sapphires at Pats Gems. It was a truly great introduction to rural medicine and the rural lifestyle.”

**DECLARATION (all applicants must complete)**

I declare that the information I have supplied on this form is, to the best of my knowledge, complete and correct. I acknowledge that my application is subject to acceptance by James Cook University and that any offer for a place may be subject to additional conditions which will need to be met to be eligible for admission.

**STUDENT VISA DECLARATION**

I make this declaration in relation to my application for my preferred course/s at James Cook University (JCU). I understand that the University will rely on this declaration in relation to any offer of enrolment in the Course which is made to me. I declare that:

- I am a Genuine Temporary Entreat, holding a student visa for the duration of the course I have applied for and have, or will have, the English proficiency level required to commence the course;
- I understand that if I am granted an Australian student visa, I will have to comply with the conditions on that visa;
- I believe that I am academically qualified for the Course I have applied for and have, or will have, the English proficiency level required to commence the course;
- I have calculated the cost of my course, am aware of the current exchange rate between the currency of my home country/region/economy and the Australian dollar and understand that the exchange rate will vary from time to time;
- I understand that if I am granted an Australian student visa, I will have to comply with the conditions on that visa;
- I have genuine access to the total funds required**, while in Australia, to cover all tuition fees, travel (including return airfare), living costs and Overseas Student Health Cover for myself and my dependents (if any) for the duration of the Course; and
- I provide my personal information to the Australia Government Department that is responsible for tertiary education (including the Department of Education and Training), the Australian Government Department that manages immigration (including the Department of Home Affairs), the Tuition Protection Service, my Education Agent if I have appointed one, Allianz Global Assistance if I nominated JCU to arrange my Overseas Student Health Cover (OSHC) and any other Australian or Queensland Government bodies as required by law.

Cover image: JCU’s Central Plaza on the Townsville Campus.
This building received a 2020 Master Builder Queensland award for its design, which connects
to the University’s history, teaching and learning.

The JCU Central Plaza is made up of a series of spaces for small and large gatherings, located
right at the heart of the university’s campus. It adds to the quality of life for all students on
campus as it provides a place for them to pause and relax, bounce ideas from one to another,
as well as being an area to host large gatherings for the university and wider community.

This is brought together by the innovative design of the roof, framed as a series of curvilinear
trusses spanning approximately 22 meters between the main support columns and with no
face of the roof being a flat surface, whilst also incorporating the impressive 405m2 artwork
‘After the Flood’ by Indigenous artist Megan Cope.
