UQ’s Study Abroad and Incoming Exchange programs provide you with an exciting opportunity to gain an international perspective on your education at a leading Australian university with a reputation for teaching and research excellence.

As a student already enrolled at an accredited university outside Australia, you can explore your interests and talents by studying at UQ for one or two semesters.

Whilst you should seek confirmation from your home university, in most cases you will be able to transfer credit for any studies you successfully complete at UQ.

As a Study Abroad student, you have the option of choosing the standard four course (full-time load) Study Abroad program, or the three course program at a reduced tuition fee. Incoming Exchange students can choose either three or four courses.

You can choose from more than 4000 courses, with many offering theoretical or practical components unique to UQ. Numerous courses focus on Australian topics or offer field trips to fascinating locations in South East Queensland, while others promote group project work or research opportunities.

Studying at UQ as a Study Abroad or Incoming Exchange student is not only intellectually rewarding, it is also a great opportunity for personal development, meeting new people, and experiencing Australian culture first-hand.

The University provides you with a range of opportunities to participate in cultural, educational and recreational activities. You can also mix study with travel and take advantage of Brisbane’s location as a gateway to the many tourist destinations that make Queensland famous.

Did you know? As a Study Abroad student, you have the option to take four courses (a full-time study load) or just three for a reduced tuition fee. Three courses will allow you more time to take on extracurricular activities, career development opportunities or internships.

A welcome as warm as the weather

Long sunny days and year-round temperate weather are a way of life in Queensland. World Heritage listed rainforests, mountain ranges and golden surf beaches await you.
BRISBANE
Brisbane, the home of UQ’s St Lucia and Herston campuses, is the capital city of Queensland and its economic and cultural hub. Young and progressive, the city is fast becoming a centre in the Asia-Pacific for business, investment, major events and education. It is also home to over 200 nationalities and 220 languages.

Entertainment
Brisbane city has a great live music scene that can be discovered in Fortitude Valley and West End. For comedy, live theatre and dance, head to the Brisbane Powerhouse and the Queensland Performing Arts Centre (QPAC). The Gallery of Modern Art (GOMA) is one of the best modern art galleries in the country, and keep an eye out for the Brisbane Writers Festival and the Brisbane Festival that attract international artists from across the globe.

Sport
Brisbane’s amazing weather and sporting facilities make physical activity a must. Kayak along the Brisbane River, rock climb your way to the top of the Kangaroo Point Cliffs, ride along kilometres of riverside cycle paths or join a sporting club. If you prefer to spectate, cheer for your local team when you attend a rugby union, rugby league, cricket, ‘Aussie Rules’, tennis, or football match at one of our famous sporting stadiums.

Food
With just under a third of Brisbane’s population born overseas, you can find cuisine from almost every culture. From affordable lunchtime and ‘Cheap Tuesday’ offers, to reasonably priced cafes, pubs, restaurants and farmers’ markets, there is plenty to choose from and plenty of new culinary experiences to be had. And you can always enjoy a picnic with friends and use the city’s free barbecue facilities in one of our scenic parks by the river.

Getting around
One of the best views of Brisbane is from a CityCat – a ferry service that runs along the river from UQ’s St Lucia campus to the city and the riverside suburb of Hamilton. Brisbane also has an extensive bus and train network that makes it easy to get around. A ‘go card’ will allow you to travel on all Brisbane public transport at discounted student prices.

Around Brisbane
When you want to head out of the city, there is plenty to discover. Head south for the famous golden sands of the Gold Coast and Byron Bay, north for the quiet beaches of the Sunshine Coast, the world’s oldest rainforest, or the majestic Great Barrier Reef. Go west for charming outback towns or east for the spectacular Moreton Island, Stradbroke Island and Fraser Island. Sydney, Cairns and Melbourne are all short flights away. There is so much to explore on your doorstep.

GATTON
Gatton, the largest town in South-East Queensland’s Lockyer Valley, is the home of the UQ Gatton campus. Bordered by unspoiled mountain ranges and located only one hour’s drive from Brisbane, Gatton has a culturally diverse population of approximately 7000 people. UQ Gatton students enjoy a laidback, country lifestyle in a close-knit community.

We offer one of the best campus experiences in the world in a location renowned for its welcoming and relaxed lifestyle, subtropical climate and vibrant and diverse culture.
UQ St Lucia

Considered one of the most beautiful campuses in the world, our main campus is a vibrant mix of old sandstone buildings, modern architecture, parklands and lakes. It is a city within a city with everything you need to study, live, and relax.

Food
UQ St Lucia is full of cafe and food options. From great coffee and bakery food, to healthy sandwiches and wraps, pizza, noodles, bubble tea and juice bars you won’t go hungry or thirsty. Options include vegan, vegetarian, organic and halal food.

Entertainment
Check out UQLife to see all that awaits you on campus and online! Take part in events, experiences and programs to keep you engaged, motivated and connected. There’s something on every week.
life.uq.edu.au

Library
We have six libraries on campus. They feature computers for students, group study and meeting rooms, height-adjustable desks, 24-hour study spaces, quiet areas and friendly staff ready to help you find what you need. Our library also has a range of services from study help preparing for exams and assignments, accessing resources, research support, student IT and training, and special author talks, lectures and panel discussions in the library.

UQ Gatton

Our rural campus is located near the town of Gatton, 87 kilometres west of the Brisbane CBD. It offers a laid-back and friendly lifestyle with on-campus accommodation, a publicly accessible motel and a variety of sporting facilities.

Food and retail
You can buy food and drinks from the Coffee Pod, Dinning Hall and Walkway Cafe, and you can purchase and sell books at our retail bookshop. There is an on-campus ATM and a post office, and keep an eye out for the regular events for students in the Central Walkway.

Teaching and research facilities
The campus houses production animals, horticultural fields, a plant nursery, post-harvest facilities, research laboratories and greenhouses, a wildlife facility, specialist veterinary and equine hospitals, and some of the best animal teaching facilities in the southern hemisphere.

Fitness
Whether you’re looking to boost your fitness, meet new people, or relax and unwind, UQ Sport Gatton offers an ideal opportunity to do it all in one location. There’s both gym and pool facilities—as well as tennis, basketball, netball and squash courts. There are weekly group fitness classes, sporting clubs and social sports to enjoy.

UQ Herston

UQ shares premises with the Royal Brisbane and Women’s Hospital and the QIMR Berghofer Medical Research Institute, which creates a connected and engaged community.

The campus is home to:
- Faculty of Medicine
- School of Public Health
- School of Dentistry
- Herston Imaging Research Facility
- Oral Health Centre
- RECOVER Injury Research Centre
- UQ Centre for Clinical Research.

Surgical, Treatment and Rehabilitation Service (STARS)
The newly constructed STARS is one of the largest tertiary specialist rehabilitation centres in the southern hemisphere. The collaborative community health precinct is home to more than 30 health facilities, research institutes and organisations, accommodating more than 13,000 staff, students and scientists.

Library
UQ Herston’s Health Sciences library provides computers, comfortable furniture and break-out spaces, individual study spaces with acoustic lining, power and USB connectors, height-adjustable desks, meeting rooms, and a 24-hour study space.

Food and retail
You can purchase something to eat or drink from Cafe Dose, the hospital cafes, or Subway. There is a bank and ATMs on campus, as well as a gift shop, pharmacy, post office and newsagency, and bookshop.

### Teaching methods and assessment

Attend an academic advising session during Orientation Week. Academics from all areas will be available to assist you with course choices and provide permission for new courses if necessary.

### Summer and Winter Research Programs

Enhance your employability, extend your knowledge of an area of interest, and develop your analytical, critical thinking and communication skills by participating in the Summer or Winter Research Program. Successful applicants are eligible for funding to support their participation in the program. Study Abroad and Exchange students who study at UQ for two semesters are eligible to participate.

For more information, please visit employability.uq.edu.au/research.

### Course selection help

At UQ our teaching methods range from lectures and tutorials to online workshops. Assessment requirements for different courses vary; you can find assessment outlines in the individual course profiles. my.uq.edu.au/information-and-services/student-support/study-skills

**Find a UQ course**

**STEP 1**

**Search**

Go to my.uq.edu.au/programs-courses

Enter a search term in the search bar – you can search by course code or area of interest – and choose ‘Courses’ from the drop down menu on the right-hand side to explore available courses.

**STEP 2**

**Refine**

Refine your search

On the search results page go to the left navigation menu and select as many filters as you want: for example, refine your search to include only pre-approved courses for Study Abroad students and/or courses offered in a particular semester.

TIP: if you do a new search, you will have to refine it again.

**STEP 3**

**Click**

Click on a course code or title

Check the level of the course (undergraduate or postgraduate), and which semester and campus it is offered: click on the semester for course description.

NOTE: Course information for 2022 will not be available until September/October 2021. Until that time select the most recent year to view the course description.

**STEP 4**

**Check**

Check the course description page

Here you will find a short description of the course as well as a link to a detailed course profile: if the course is pre-approved for Study Abroad and Incoming Exchange students, there will be a note on the sidebar on the left stating this (if the course is not pre-approved, you must meet the prerequisites to apply). To access additional course information such as learning objectives, resources, activities and assessment, click on the most recent course profile link in red.

Exploring Queensland: courses with field trips

Queensland is home to some of the most important natural sites in the world, and one of the best ways to discover these is to enrol in a UQ course with a field trip. Our breathtaking field trip destinations include rainforests, coral reefs, and mountain ranges.

D’Aguilar National Park
D’Aguilar National Park on the edge of Brisbane features beautiful subtropical rainforests and Walkabout Creek Wildlife Centre where you can see platypuses, wombats, spotted quolls, various rainforest birds, freshwater fishes, turtles, snakes, lizards, local wallabies, and kangaroos.

UQ course with a field trip here:
- BIOL2001 Australia’s Terrestrial Environment

Great Barrier Reef
Multi-day field trips to UQ’s Heron Island Research Station on the Great Barrier Reef involve snorkelling and reef walking so you can take in the astonishing marine ecology.

UQ courses with a field trip here:
- MARS2005 Australia’s Marine Environment
- ERTH3212 Coral Reefs: Past, Present and Future

Lamington National Park
World Heritage listed Lamington National Park features a fascinating variety of rainforest, eucalypt, mallee, heath vegetation and wildlife, including red-necked pademelons, Albert’s Lyrebirds and Richmond birdwing butterflies.

UQ course with a field trip here:
- BIOL2001 Australia’s Terrestrial Environment

Moreton Bay and North Stradbroke Island
Moreton Bay Research Station on beautiful North Stradbroke Island is a stop off point for major marine life, including whales and manta rays, and has some of the most beautiful beaches near Brisbane.

UQ courses with a field trip here:
- MARS2005 Australia’s Marine Environment
- ENVM3211 Pollution Science

Outback Queensland
Outback Queensland field trips to the spectacular Idalia National Park allow you to view gorges, rock formations, unique vegetation and rare fauna, including yellow-footed rock wallabies.

UQ course with a field trip here:
- BIOL2001 Australia’s Terrestrial Environment

Steve Irwin’s (The Crocodile Hunter) Australia Zoo
Australia Zoo, founded by the ‘Crocodile Hunter’ Steve Irwin, is one of Australia’s most popular zoos. Field trips here feature behind-the-scenes tours to meet the staff who care for crocodiles, snakes, echidnas, kangaroos, wombats, birds and other Australian animals.

UQ course with a field trip here:
- BIOL2001 Australia’s Terrestrial Environment

World’s largest sand island:
Fraser Island
K’gari World Heritage Area (Fraser Island) is the world’s largest sand island. Field trips involve excursions to spectacular beaches, sub-tropical rainforest, freshwater lakes, giant sand dunes and looking for dingos.

UQ course with a field trip here:
- BIOL2001 Australia’s Terrestrial Environment

Scenic Rim, South East Queensland
The Scenic Rim region features rainforests, six national parks, two lakes and spectacular bushland. The Scenic Rim Mountains were once a volcanic hotspot and preserve living links to Australia’s ancient past, with one of Australia’s two species of lyrebird inhabiting the region’s rainforest and wet eucalypt forests.

UQ course with a field trip here:
- GEOS2100 Environmental Systems

This is not a complete list of UQ’s field trip destinations. Other popular Study Abroad and Exchange courses with field trips are featured on pages 12-16.
Find out more at uq.edu.au/studyabroad/what-can-i-study/field-trips

Take a virtual tour of UQ’s Heron Island Research Station.
As a Study Abroad or Incoming Exchange student you’re only here for a short time, so we want you to have an amazing time. To facilitate this, we anticipate your unique needs from arrival to departure and beyond.

Student support

Getting started
Make your transition to UQ a smooth one by attending one of our Getting Started sessions either when you arrive or during O-Week. Attendance is compulsory for all international students. In the session, you will learn about: how to enrol, register for classes, get your student ID card and key UQ dates and terminology. We also tell you about what services and facilities are on campus, how to register for public transport student discounts, and what your best options are for getting to and from UQ.

Transition to UQ life with ease by registering for the Jumpstart uni preparation program, held before semester starts.
my.uq.edu.au/information-and-services/student-support/study-skills/jumpstart-uni-preparation-program

O-Week and your first weeks
Make sure you are here for O-Week, which is held one week before semester starts. It is a great introduction to life at UQ. You can browse clubs and societies, listen to live music, meet new and interesting people, and pick up free stuff, and most importantly, attend your program’s welcome session.

Safety on campus
Our campuses are safe places for students and staff. St Lucia and Gatton campuses have 24-hour security teams. St Lucia also offers a safety escort service if you would like someone to accompany you to public transport or your car, and a Safety Bus that runs from 6pm onwards around the campus.

SETTLE IN

International student advisers
There are advisers specifically for international students to help you overcome some of the challenges of studying in a foreign country.
The Student Advice Team, located in Student Services, can help with a range of common questions and queries from making friends, planning finances, living in Australia and preparing for study to bringing your family, studying visa information and academic and English support. The student advisers offer support in a free and confidential space and if you need to make an appointment with a Student Adviser or a Counsellor, you can do this in private by contacting Student Services.

Spiritual practice
Our Multi-Faith Chaplaincy at UQ St Lucia caters to all religions. The venue also offers yoga and meditation classes, free English conversation classes, and it hosts community celebrations. It is a great space to meet people from different cultures and faiths.
my.uq.edu.au/information-and-services/student-support/religion

Diversity, disability and inclusion
UG provides free support, services and facilities for students with a disability, illness, injury or mental health condition. You can contact a disability advisor to ensure your transition to study is as smooth as possible.
my.uq.edu.au/information-and-services/student-support/diversity-disability-inclusion

LGBTIAQ+
Ally Network is our award-winning program for the LGBTIAQ+ community.

GET STUDY HELP

Peer Assisted Study Sessions
Learn more about studying at UQ from second- and third-year students who have achieved top grades in your course. They can provide advice on coursework and content, and suggest effective study habits to help you make the most of your time. Ask your faculty for more information.

English language support during your study
Develop and refine your academic English language skills needed for Australian university study. Free English for Academic Communication (EAC) programs are offered by ICTE (Institute of Continuing & TESOL Education). A variety of relevant courses are run at the beginning of each semester and are offered on a part-time basis. Check the website for more information.

MAKE FRIENDS

Join QUEST
With hundreds of study abroad and exchange students joining each semester, the Queensland University Exchange Student Society (QUEST) is one of the most vibrant clubs on campus. Along with informal pub and movie nights, QUEST organises beach trips, surfing lessons, glow-worm viewing in a world-heritage-listed rainforest, as well as multi-day trips to Byron Bay, Girraween National Park and Moreton Island.

Clubs and societies
Are you up for expanding your social network and diving into a hobby or passion? Join one of our 220 clubs and societies. From anime to yoga, medievalism to table tennis, and hockey to dancing, you are certain to find like-minded people. If you don’t, you can always start your own club.

UQ Mates Virtual Village
Meet new friends and connect with like-minded students that share your interests through facilitated online chats, forums and group hangout spaces. Whether you are into food, drinks, arts, culture, fitness, games or study – find your circle at the UQ Mates Virtual Village.

FURTHER STUDY AT UQ

Postgraduate study
After completing your undergraduate degree, you can return to UQ for your postgraduate studies. Joining former UQ study abroad and exchange student luminaries such as Professor Bernard Degnan, Professor Degnan came to UQ from the University of Southern California in one of the first study abroad cohorts. While here, he became enchanted with the Great Barrier Reef and returned to UQ to complete a PhD. Thirty years later, his work on eradicating the destructive Crown of Thorns starfish is set to revolutionise efforts to preserve the Great Barrier Reef.

All UQ campuses are smoke-free.

Accommodation

We have accommodation options to suit your lifestyle and make you feel at home. Live in a college on one of the best campuses in the world, go to the inner city for off-campus student accommodation, or find your own home in the private housing market.

On-campus accommodation
Do you want an immersive university experience? If you are studying at one of UQ’s Brisbane campuses you can live in one of the ten colleges at UQ St Lucia or our new purpose built on-campus student residence. If you are studying at UQ Gatton, you can live at the Gatton Halls of Residence. You can walk to class, enjoy services like academic support and social and sporting activities, and your meals are provided. Plus, you will make friendships for a lifetime. Apply before you arrive to secure a room.

Private housing
Are you the more independent type? You might like to share a house or apartment with other people. Brisbane’s rental market features everything from low-cost share houses to high-rise apartments, while Gatton’s rental market features a range of affordable share houses. To find a room, apartment or house, first check our UQ Rentals database. There are also private rental accommodation websites and you can rent directly from real estate agents. At the start of a lease you typically pay two weeks rent in advance and a bond (four weeks rent). You should get the bond back at the end of your lease if you maintain the property well. Make sure you inspect a property in person before paying money or signing anything. Arrive around one month before classes start to get organised, arrange inspections and lodge your rental application. Make sure you arrange temporary accommodation for when you land, if needed.

Guaranteed accommodation
When you apply through UQ Guaranteed Accommodation, you are able to secure your accommodation prior to arriving in Brisbane and commencing studies at UQ. The UQ residential colleges (on-campus) and UQ approved providers (off-campus) set aside a guaranteed number of rooms so you are able to compare, choose and secure the most appropriate accommodation easily.

Cost of living

Brisbane is an affordable city, offering a lower cost of living than Sydney, Melbourne, Perth or Canberra.* To make the most of your time in Australia, we recommend you plan and budget for your study and holiday time.

Yearly costs
How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences. For example, if you live in a share house off-campus, your yearly budget will be in the range of $2,960 – $3,306.

In addition to this amount, you will also need to consider establishment costs such as buying furniture, paying a rental bond and setting up electricity, gas and mobile phone accounts, as well as other expenses such as visa fees, tuition fees, return airfares, and Overseas Student Health Cover (OSHC). Remember that exchange rate variations may also affect your budget.

Monthly expenses
The table below estimates monthly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks and study materials, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

* On-campus and off-campus accommodation costs are usually lower in Gatton. The monthly cost for a standard resident room in the Halls of Residence in Gatton is approximately $190.

** Many student accommodation providers include electricity, gas and internet costs in rent; however, check with your provider to be sure.

Refunds
Refunds are only made to international students in certain circumstances and in accordance with our Fee Policy and Student Refund procedures. ppl.app.uq.edu.au/content/3.40.03-student-refunds

Fees and expenses
As an international student, you may need to pay tuition fees, non-tuition fees and other administrative fees. Some courses have additional costs; see individual course listings for details.

Tuition fees
Study Abroad – four courses
If you apply for the standard four-course Study Abroad program for 2022, you will pay a tuition fee of $13,380 per semester regardless of the number of courses taken. A standard full-time load for one semester at UQ is eight units (which usually equates to four courses). Please note, this fee is indexed annually and is subject to change.

Study Abroad – three courses
If you apply for the three-course Study Abroad program for 2022, you will pay a reduced tuition fee of $9,885 per semester but you will be restricted to taking six units (three courses) only. Please check with your home university before choosing this option to ensure that you will receive the credit that you need when you return.

Please note, this fee is indexed annually and is subject to change.

Incoming Exchange
As an Incoming exchange student, you will pay tuition fees to your home institution based on the fee requirements of your home institution. A standard full-time study load for one semester at UQ is eight units (which usually equates to four courses). You should contact your school’s Exchange Office for details.

Non-tuition fees
Non-tuition fees are paid by a student to the University for such things as books and equipment, health insurance, administration, accommodation, and assistance to apply for or hold a student visa. uq.edu.au/studyabroad/what-does-it-cost

Health insurance
If you will be coming to Australia on a student visa, you will need to purchase and maintain Overseas Student Health Cover (OSHC) as one of the conditions of your visa. This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave. UQ’s preferred OSHC provider is Allianz. UQ can organise your OSHC with Allianz when you accept your UQ offer and pay your tuition fee deposit. Alternatively, you can obtain your own OSHC from a government-approved OSHC provider.

**Study Abroad eligibility**

The UQ Study Abroad program is available to students currently studying at an accredited institution outside of Australia. As a Study Abroad student, you can study at UQ for one or two semesters and will be enrolled as a non-award student.

**Academic entry requirements**

To meet the University’s entry requirements for the Study Abroad program you must:
- have completed at least one full-time year of study at an accredited university
- be currently enrolled at an accredited university
- meet specific course prerequisites for admission into certain courses
- hold average to above-average results in university studies to date
- meet UQ’s English language proficiency requirements (see below).

**Incoming Exchange eligibility**

The UQ Incoming Exchange program is available to students currently studying at an overseas institution that has a student exchange agreement with UQ. An incoming Exchange student can apply for a package that includes English language studies at ICTE before commencing your semester.

**English language proficiency requirements**

You must meet UQ’s English language proficiency requirements to undertake courses at the University.

The minimum IELTS and TOEFL scores required for admission to the Study Abroad and Incoming Exchange Program at the University are listed in the table below.

STEP 1 Decide

- Decide whether to enrol in the three course or four course option.
- Please note that many university partners require students to enrol in four courses to ensure that the required credit for their study abroad semester is received. Choose the three course option only if you have discussed this with your home university.

STEP 2 Create

- Create an applicant account to start your online application.
- Go to UQ’s online application portal at apply.uq.edu.au and create an applicant account, then choose the appropriate application type:
  - Incoming Exchange students: If you have been nominated by your home university to come to UQ as part of a bilateral exchange agreement, please choose the ‘Incoming Exchange’ application form.
  - Study Abroad students: If you are not coming as part of a bilateral exchange agreement, please choose one of the Study Abroad application forms:
    - For the three course study option, please choose the ‘Study Abroad – three courses’ application form.
    - For the four course study option, please choose the ‘Study Abroad – four courses’ application form.

STEP 3 Upload

- Upload all required documentation:
  - This includes a copy of the ID page of your passport (or other national ID), an up-to-date official academic transcript in English and proof of English language proficiency.
  - If you are applying for Incoming Exchange, you need to be nominated by your home university. TIP: You can save an incomplete form and return later.

Visas

All international students applying to study in Australia must have a student visa unless they have an alternative visa that enables them to study. If you are granted a student visa, you must comply with all student visa conditions. For all visa enquiries and applications, please contact your local Australian Embassy, High Commission or Diplomatic Mission.

Suspensions, deferrals and cancellations

If you wish to defer (i.e. delay commencing the Study Abroad or Incoming Exchange program), please contact the Study Abroad and Incoming Exchange Office as soon as possible. You may be able to apply for a deferral for up to two years.

Once you commence study, you may also suspend or cancel your enrolment on compassionate or other compelling grounds. The University may also suspend or cancel your enrolment for a number of reasons including misbehaviour, poor academic standing and unsatisfactory academic progress. Please note that any suspensions, deferrals or cancellations may affect your student visa or visa application.
