ECU is committed to reconciliation and recognises and respects the significance of Aboriginal and Torres Strait Islander peoples’ communities, cultures and histories. ECU acknowledges and respects the Aboriginal and Torres Strait Islander peoples, as the traditional custodians of the land. ECU acknowledges and respects its continuing association with Nyoongar people, the traditional custodians of the land upon which its campuses stand.
It’s an exciting time to be an Edith Cowan University (ECU) student with ECU being ranked Australia’s top public university for undergraduate teaching quality for six years in a row, according to the 2020 QILT (Quality Indicators in Learning and Teaching) survey results.

Our reputation for teaching quality was also highlighted in the 2021 Good Universities Guide, where a five-star rating for teaching quality has been achieved for an amazing 14 years in a row.

2021 marked the University’s 30th anniversary with ECU being granted university status in 1991. Today we have more than 31,000 undergraduate and postgraduate students. We also have one of the most diverse student populations in Australia, with international students from more than 100 countries.

Our comprehensive and diverse range of degrees have been developed in consultation with industry groups and our teaching staff have extensive industry experience. So, you can expect industry-relevant teaching and research in a supportive study environment that is brimming with award-winning facilities.

For international students, we provide the opportunity to experience Australia’s unique culture. Each of our three campuses – Joondalup and Mount Lawley in metropolitan Perth and the South West Campus in Bunbury – offer you the chance to study in a vibrant, modern environment that reflects the enviable quality of life we have in Western Australia.

So what are you waiting for? I invite you to join us on this exciting journey and become World Ready.

Professor Steve Chapman CBE
Vice-Chancellor

ECU recognises the achievements of a remarkable Western Australian woman, Edith Dircksey Cowan.

Edith Cowan OBE believed that education was fundamental to tackling the social issues of the day, and that it was the key to growth, change and improvement. Her tireless work influenced the course of education in Australia, paving the way for many people to access education they could only previously dream of.

In 1921, Edith Cowan was the first woman elected to an Australian Parliament. She was also instrumental in Western Australian women obtaining voting rights and expanding access to education, and many professions, to females.

Edith Cowan’s portrait is in the Western Australian Art Gallery and also adorns the Australian $50 note.

ECU has an enviable reputation as a university that provides one of the best learning experiences for both international and domestic students. We equip you with the confidence and practical skills to deal with whatever challenges may come your way, no matter where you are in the world. Here are a few more reasons why you should choose ECU.

LEARN FROM THE BEST
Our high-calibre staff have extensive experience as researchers, teachers, advisers or consultants and have significant professional experience in their field.

SUPPORTIVE LEARNING ENVIRONMENT
ECU is Australia’s top public university for undergraduate teaching quality. Counsellors and academic skills advisers help you get the most out of your education.

INDUSTRY LINKS
Having direct links with industry and organisations provides you with hands-on experience while you’re studying.

PRACTICAL LEARNING
Your learning extends beyond the classroom via practicums, work integrated learning and internships.

INTERNATIONALLY RECOGNISED
ECU degrees are internationally-recognised and many of our courses are professionally-accredited by national and international organisations.

OUTSTANDING FACILITIES
ECU’s modern and innovative facilities are among the best of any university in the world, such as our new Science Super-labs, Cyber Security Operations Centre, SMART lab, Law Moot Court, design, photography and media studios, engineering labs and much more!

INTERNATIONAL OPPORTUNITIES
You can travel the world while you study by taking advantage of our range of exchange programs, study tours or international work experience placements.

FLEXIBILITY
Through a variety of entry pathways and study mode options, we enable people from all backgrounds to enrich their lives and their communities through education.

STUDY CHOICES
We offer a diverse range of study choices with over 250 courses from Aviation through to Youth Work. See pages 26–28 for summary of all the options.

TOP RATED RESEARCH SCHOOL
According to the 2018 International Student Barometer, ECU’s Graduate Research School has been ranked among the top five in Australia in each year since 2011 with a satisfaction rating of 95% or higher.

THINK YOU KNOW EVERYTHING ABOUT ECU?
Here are 101 things you might not have known.

SHOW ME
ECU was established in 1991 and has a strong reputation in Australia for its quality of teaching and the overall student experience. Here is a snapshot of recent university rankings, both nationally and internationally. It includes ratings from recent graduate surveys and other international quality measures.

**UNIVERSITY RANKINGS**

---

*QILT results are based on hundreds of thousands of surveys completed by students from the 37 public and 4 private universities across Australia. QILT is an annual independent Australian government survey.
**WHY STUDY IN PERTH?**

With a high standard of living, Perth is a vibrant, sophisticated and safe city that is regularly rated among the top cities in the world for liveability. The mild Mediterranean climate, endless blue skies, fresh air and brilliant white beaches are hard to beat!

**STUDENT EMPLOYMENT**

Students typically work in administrative, hospitality and retail roles, and student visa holders can work part-time up to 40 hours per fortnight, and full-time during semester breaks.

**TUITION FEE WAIVER FOR DEPENDANTS**

Dependants of Masters or Doctoral degree students can attend the West Australian public school system without paying the mainstream tuition fee that usually applies to overseas students.

---

**PERTH'S REGIONAL STATUS – EARN AN EXTRA YEAR ON POST-STUDY WORK VISA**

The Australian Federal Government awarded ‘regional city status’ to Perth in Western Australia.

As an international student, that means you may be eligible to stay in Western Australia for three to five years after completing your degree.

A post-study work visa may give you the opportunity to gain more work experience and you could be eligible for skills assessments required for a skilled visa application.

Perth’s regional city status will offer these opportunities to international students:

- Access to additional regional migration points
- Family Sponsorship
- Additional year of post study work rights.

Please note: there could be changes as this initiative is formally implemented by Western Australian and Federal government departments.

---

**WE'RE CLOSER THAN YOU THINK!**

Perth also benefits from sharing the same time zone as 60 per cent of the world’s population. And it’s the closest Australian capital to cities in Asia, Africa, and Europe. No less than 22 airlines fly between Perth and international cities.

Study Abroad is a great way to experience student life in Perth. If you are currently undertaking a degree or want to try some units (subjects/courses/classes) to get a feel for university, ECU’s program will expand your knowledge and enable you to explore a unique part of Australia. Better still, our Study Abroad tuition fees are great value!

SELECT YOUR COURSE
The course code you select for Study Abroad is based on your study level and duration:
• X01: undergraduate one semester
• X17: undergraduate two semesters
• X02: postgraduate one semester
• X18: postgraduate two semesters

TUITION FEES
The cost of Study Abroad depends on the number of credit points you will study and the units you select. We have created two special fee groups for 2022.

Fee Group A includes hundreds of units from disciplines in Arts, Business, Computing, Design, Economics, Education, Humanities, Law, Mathematics, Science (non-lab based) and Social Science:
• 45 credit points (3 units): $5,175 AUD
• 60 credit points (4 units): $6,900 AUD

Fee Group B includes a special selection of units in the disciplines of Engineering, Nursing, Paramedicine and Science (lab-based):
• 45 credit points (3 units): $7,725 AUD
• 60 credit points (4 units): $10,300 AUD

Please make sure you check the cost of your unit selection. The easiest way to review unit cost is through the Fees Calculator at the following link: apps.ecu.edu.au/fees-calculator

ECU has a fantastic range of units to choose from, across all eight schools.

If you need help selecting units, you can:
• Search the ECU Handbook: ecu.edu.au/handbook
• Visit our website: ecu.edu.au/future-students/course-entry/study-abroad
• Chat with your Authorised Agents: ecu.edu.au/future-students/applying/find-an-authorised-agent
• Contact ECU: International.office@ecu.edu.au
• Use our chat box: askus2.ecu.edu.au

SUBMIT YOUR APPLICATION
Undergraduate and Postgraduate Study Abroad applicants require an Academic IELTS overall minimum band score of 6.0, with no individual band less than 6.0.

Information on Academic requirements can be found on the Course Entry page ecu.edu.au/future-students/course-entry.

Once you have chosen your course and units, head to ECU’s Online Application Portal to submit direct or apply through your Authorised Agent. The application is nice and straightforward. Make sure you have your documents ready to upload.

GETTING PERSONAL SUPPORT TO SUCCEED
Not every student journey is simple or stress free. Student Success are able to support you to negotiate uni life, life in Australia and your study requirements as a visa holder.
Learning advisors assist with developing your study skills, providing workshops on academic and English Language skills as well as drop-in sessions. They conduct workshops, prepare academic skill resources, and provide one-on-one and group consultations.
Peers mentors help new students build social and academic networks so you settle more quickly.
Equity, Diversity & Disability is a free, confidential service for students with a disability and/or medical condition, either permanent or temporary, and can help make uni life a better experience.

Careers and Employability Services offer free career counselling and job search support to all students including:
- Job application skills, including resumé and cover letter writing, selection criteria and interviews
- Advice on how to find work and access to CareerHub jobs portal for part-time, casual, full time and graduate employment opportunities
- On-campus employer presentations, career fairs and workshops
- Volunteering opportunities to improve your leadership, communication and employability skills
- Tools to plan and manage your career pathway
ECU’s Equity, Diversity and Disability (EDD) services support students whose studies may be affected by a range of circumstances including a medical condition or disability, either their own or that of a family member that they care for, cultural or religious practices and other situations on a case-by-case basis. EDD staff can assist with liaising with academic staff, arranging alternative assessment conditions, access to some aids and equipment, note taking, AUSLAN interpreting and transcription services. Every campus has a specially-designed Accessible Technologies Room that provides students with access to adjustable chairs and desks, specialised software, computers and other adaptive technology. All ECU locations have access for people with disabilities.
ECU offers international students a variety of accommodation options, including on-campus villages, off-campus private rental properties, and home-stay with a Western Australian family.

**ON-CAMPUS STUDENT VILLAGE**
ECU has excellent on-campus accommodation on all three campuses, making it a convenient option for international students.

Facilities include:
- Outdoor pool
- Sporting equipment
- Swipe card-operated laundry (Joondalup)
- Coin-operated laundries (Mount Lawley and Bunbury)
- Communal kitchen
- High speed internet access
- TV room
- BBQs
- Parking

Due to the high demand for on-campus accommodation, we recommend that you visit mystudentvillage.com/au/ecuvillage and make your online application early.
Off-Campus Accommodation

Students may choose to rent an apartment, townhouse or house on their own or with fellow students. Private rental accommodation can be furnished or unfurnished.

Get in touch with ECU Village for information on off-campus accommodation.

Homestay

Students can also choose to live in a private home with an Australian family. The chance to be involved in daily life, the learning of our culture and customs, plus the added advantage of having the company of other people, are just some of the reasons Homestay is popular.

Visit homestaynetwork.org/edith-cowan-university for more information.

Living Costs

Day-to-day living costs will vary, based on personal situations, interests and financial position. Students should plan a budget to suit their needs, but make sure it’s flexible enough to allow for changes in circumstances. Here is a guide to some key weekly expenses.

ECU FACILITIES

With state-of-the-art campus facilities that are linked direct to industry, ECU will help you find that competitive edge and become world ready. Here are some of the highlights.

ARTS & HUMANITIES
ECU has made a major commitment to the arts through investment in multimillion dollar Arts and Humanities facilities. The re-housing of the design, photography and media studios, and new broadcasting studios, along with the refurbishment of the visual art and fashion areas, provides world-class facilities for staff, students and researchers.

MEDICAL AND BIOMEDICAL
ECU’s science laboratories are equipped to train Medical Science and Biomedical Science students in microbiology, genetics, haematology and biochemistry. Students have access to microbiology equipment for working with microbiological organisms and DNA.

BUILDING ECU’S SCIENCE FUTURE
ECU has completed the build of our state-of-the-art science building as part of a $48 million project on our Joondalup Campus. The building facade features the largest permanent periodic table in the world. Students in ECU’s School of Science and School of Medical and Health Sciences benefit from the five-storey building, which includes 2,800 sqm of purpose-built super-labs, which meets Australian standards for handling potentially hazardous materials.

SPIEGELTENT – MOUNT LAWLEY CAMPUS
ECU was the first university in the world to acquire its very own Spiegeltent. Renamed ‘The Edith’, it provides a unique performance space for WAAPA students to hone their craft.
At ECU, we group similar fields of work into eight diverse study areas that align with our teaching schools. All of our courses are industry-relevant and internationally-recognised and most are professionally-accredited.

**ARTS & HUMANITIES**
We offer programs in arts, design, media, communications, psychology, criminology, and social change. Our flexible course structures allow students to access electives in many disciplines to encourage multi-skilling, and improve employment prospects.

**NURSING & MIDWIFERY**
Nursing and Midwifery at ECU provides students with access to state-of-the-art health and wellness facilities, including demonstration and clinical practice wards, health simulations that encourage scenario-based learning, and practical placements with a range of health providers. We have dedicated nursing courses as well as WA’s only nursing and midwifery dual degree program. Nurses and midwives who hold a diploma level qualification in their home country can further their nursing career with an international qualification at ECU.

**SCIENCE**
ECU offers a range of courses in the areas of science, biological and environmental sciences, data science, bioinformatics, computing and security. ECU’s research and teaching are world-class, with practical degrees that can lead to a variety of careers in fields such as marine and freshwater biology, conservation and wildlife biology, environmental management, physics, chemistry, mathematics, cyber security and data science.

**BUSINESS & LAW**
Business and Law at ECU offers an exciting mix of courses and majors that combine the latest theory with practical experience, leading to a diverse choice of careers. Students can expect a practical experience and to learn essential employability skills to help them succeed in a variety of dynamic global business environments.

**TEACHER EDUCATION**
ECU has been at the forefront of teacher education for over 100 years and has a strong reputation for the quality of its graduates. The experienced academic team are world leaders in tertiary teaching in the area of teacher education and strive to find better ways to prepare quality teachers.

**ENGINEERING & TECHNOLOGY**
Study in some of the best-equipped, industry-grade engineering labs in Australia. Our engineering courses are accredited by Engineers Australia and recognised under the Washington Accord, enabling students to work as professional engineers or technologists anywhere in the world.

**MEDICAL & HEALTH SCIENCES**
Medical and Health Sciences offers exciting and diverse areas of study and some of ECU’s world-leading research teams. Courses include biomedical science, health science, exercise and sports science, rehabilitation, medical science, occupational therapy, paramedical science, speech pathology, nutrition and dietetics, and public health.

**WESTERN AUSTRALIAN ACADEMY OF PERFORMING ARTS**
The Western Australian Academy of Performing Arts (WAAPA) at ECU is one of the world’s leading performing arts academies. WAAPA is recognised nationally and internationally for the quality of its graduates. It provides the most extensive range of performing arts training in Australia – both on stage and behind the scenes.
ARTS & HUMANITIES

LET CURIOSITY GET THE BETTER OF YOU.

Explore the complexities of the human mind, immerse yourself in a creative and engaging environment and make a contribution to improving people’s quality of life.

ECU’s School of Arts and Humanities offers a broad range of specialist and interdisciplinary courses in arts, design, media and communication, psychology, criminology and social change. Our flexible course structures allow open access to electives in all areas of the School to encourage multi-skilling, improve employment prospects and to promote a broader understanding of how the arts and humanities play a central role in the social and cultural fabric of our society.

WHY CHOOSE SCIENCE AT ECU?

**CHOICE**
A range of courses and majors across diverse fields. You’ll have the option to study degrees focusing on a specific area, or broader degrees which cover multiple areas within a single discipline.

**INDUSTRY AND CAREER NETWORKING**
Students get the opportunity to meet and network with prospective employers, industry representatives and professionals at the Science Annual Careers Events.

**WORK INTEGRATED LEARNING**
Students receive real-world experience through placements, internships, industry projects and volunteering.

**INDUSTRY STANDARD FACILITIES**
Students have access to labs equipped with the latest technology, from state-of-the-art mass spectrometry analytical equipment to the latest in computer technology, including the only multimillion dollar Security Operations Centre at an Australian university and a brand new Science building containing multiple super laboratories.

**INTERNATIONAL REPUTATION**
ECU is the first and only university from Australia to be invited to join the International Cyber Security Centre of Excellence as an Affiliate Member.

Our staff are internationally recognised, with two of our cyber team being members of the INTERPOL Global Cybercrime Expert Group.

**COMPUTING AND SECURITY AT ECU**
ECU is recognised as a leader in cyber security. Our computing and security courses offer a range of majors to choose from, studying in world class facilities. Our cyber security research and education team is one of the best in Australia and highly respected globally.

ECU plays a key role in the $139 million Cyber Security Cooperative Research Centre, which has its Head Office at the ECU Joondalup Campus.

**SCIENCE AT ECU**
ECU offers a unique Bachelor of Science degree covering a broad range of disciplines that give students the opportunity to specialise in specific fields or multi-skill across a combination of majors creating a unique graduating skillset to increase their career options.

Home to between 600,000 and 700,000 species, Australia’s rich biodiversity offers immense opportunities to ECU Science graduates. Studying in the field, or in our advanced labs, ECU students gain important real world skills that help them hit the ground running when they graduate.

**RANKINGS**
In the 2021 Good Universities Guide, ECU received a 5 Star rating for teaching quality. This rating has now been achieved for 14 years in a row. ECU has also received the following rankings for its science and computing disciplines:

**FOR COMPUTING & INFORMATION SYSTEMS IN WESTERN AUSTRALIA**
Overall Educational Experience, Good Universities Guide 2021

**FOR SCIENCE & MATHEMATICS IN WESTERN AUSTRALIA**
Undergraduate Skills Development, Good Universities Guide 2021

TEACHER EDUCATION

BECOME THE TEACHER THEY WILL ALWAYS REMEMBER.

The teachers of tomorrow choose ECU’s School of Education because we’re national leaders in education and education research, producing graduates who are both classroom-ready and world-ready.

Our experienced team are passionate about education and strive to find better ways to help you become a teacher – through pioneering research and outstanding community-based partnerships with schools.

Our courses in early childhood, primary and secondary teacher education are renowned for their extensive professional experience, making our graduates job-ready and preferred by many employers.

With over 1,000 partnership schools and early childhood learning centres, your study will focus on the needs of schools of today and will be supported through authentic classroom-based experiences.

Our courses are professionally accredited by the Teacher Registration Board of Western Australia. Early Childhood Studies courses have been approved by the Australian Children’s Education and Care Quality Authority.

For qualified teachers, our Master of Education courses can help advance your career by building your leadership skills and allowing you to specialise in a particular aspect of teaching.

If you want to be part of the next generation of outstanding teachers and make a real difference to the lives of young people, our Teacher Education courses will start you on your journey.

REAL WORLD LEARNING IN SCHOOLS AND EARLY LEARNING CENTRES

Our courses in early childhood, primary and secondary teacher education are renowned for their extensive professional experience, making our graduates job-ready and preferred by many employers. Your study at ECU will be embedded in authentic classroom settings with real students and real teaching. With over 1,000 partnership schools and early childhood learning centres, your study will focus on the needs of schools of today and will be supported through classroom-based experiences. This ensures you’ll be prepared for your very own classroom when you graduate.

PROFESSIONAL EXPERIENCE PLACEMENTS

Professional practice experience is a requirement of Pre-Service Teachers in nationally accredited teacher education programs. A substantial amount of time is spent in schools as part of professional experience and requires a full-time commitment for all Pre-Service Teachers in a full-time or part-time study program.

To undertake professional experience in a school or childcare setting, all Pre-Service Teachers must supply ECU with evidence of a valid Nationally Coordinated Criminal History Check (NCCHC) from the Department of Education WA, and a valid Working with Children Check from the Department for Child Protection and Family Support WA. Visit ecu.edu.au/schools/education/professional-experience for more information.

DIVERSITY IN EDUCATION

Our ongoing relationships and established partnerships with public and private schools and pre-school centres, in both local and regional areas of Western Australia, will allow you to gain experience with children with diverse learning abilities and from differing economic, social, ethnic and educational circumstances.
IF ALL THE WORLD’S A STAGE, THIS ONE IS YOURS.

The Western Australian Academy of Performing Arts (WAAPA) at ECU is one of the world’s most celebrated performing arts academies.

WAAPA is recognised nationally and internationally for the quality of its graduates. It provides the most comprehensive range of performing arts training in Australia – both on stage and behind the scenes. Course entry is competitive, with an audition and/or an interview required as part of the application process.

For more information on WAAPA courses, please visit: ecuworldready.com.au/waapa

COURSES:
- Bachelor of Arts (Acting)
- Bachelor of Arts (Arts Management)
- Bachelor of Arts (Dance)
- Bachelor of Arts (Music Theatre)
- Bachelor of Music
- Bachelor of Performing Arts
- Master of Arts (Performing Arts)
THE WONDERFUL WORLD OF WAAPA

STAR GRADUATES
WAAPA graduates are in high demand and excel in their chosen professions, making a significant contribution to the performing arts and allied industries. Highly celebrated graduates include actors Hugh Jackman, Frances O’Connor, Rachael Maza and Jai Courtney; comedians Jim Jeffries and Tim Minchin; opera singers Emma Matthews, Duncan Rock and Rochelle Durkin; music theatre stars Lisa McCune, Eddie Perfect and Lucy Durack; musicians Troy Roberts, Linda Oh, Jessica Gethin and Meg Mac. WAAPA’s Arts Management, and Production and Design professionals can also be found working in arts organisations and companies around the world.

A SOLUTION TO ISOLATION HAS GIVEN WAAPA ITS BIGGEST AUDIENCE YET
When COVID-19 hit in 2020, WAAPA had to move entirely to online teaching and learning within the space of a week. It was unusual to replace the physical experience of playing in an ensemble and creating music together in group scenarios. So that’s when Coordinator of Classical Music, Tim White, immediately thought of student composer, Jonathon Jie Hong Yang, as the potential writer of the score for a virtual piece for multiple musicians. Recorded entirely on students’ phones, 124 performers came together from across WAAPA’s classical music department to create the musical piece, *Brave The Wave*. This included guitars, saxophones, voice and composition. Within a fortnight the video had attracted over 120,000 views indicating that *Brave The Wave* was needed in these isolated, self-distanced times.

CULTURAL COLLABORATION WITH LEADING LOCALS
WAAPA is proud to be working in close collaboration with many of Western Australia’s leading cultural organisations, including Perth Theatre Trust, Black Swan State Theatre, West Australian Ballet, West Australian Symphony Orchestra, West Australian Opera, Perth Symphony Orchestra, Yirra Yaakin Theatre Company, The Blue Room Theatre, Spare Parts Puppet Theatre, Perth Festival, Fringe World Festival and Co: 3 Contemporary Dance Company.

THE EDITH SPIEGELTENT AT FRINGE WORLD FESTIVAL
Perth’s most popular annual festival, and the third largest Fringe in the world, *Fringe World Festival 2021* hosted more than 500 events at over 100 venues. The festival featured almost 300 WAAPA graduates, staff and students who were involved on stage and backstage, as well as writing, producing, devising, designing and directing. In addition to helping produce outstanding home-grown talent, ECU is also a proud supporter of the *Fringe World Festival*. As a major partner, ECU and WAAPA provides it’s Edith Spiegeltent as a unique performance venue.

INTERVIEWS, AUDITIONS AND FOLIOS
All WAAPA courses excluding the Bachelor of Arts (Arts Management), require applicants to complete an interview and/or audition, or submit a folio of work, as part of the selection process. Visit [ecuworldready.com.au/waapa](http://ecuworldready.com.au/waapa) for more specific information about interviews, auditions and folios.

RESEARCH SUPPORT
We are fully committed to the research student experience and we offer a range of innovative and successful support programs:

- An orientation program and events to help you get started.
- An extensive free online and face-to-face research training program to help you develop new research and professional skills.
- Special seminars with guest presenters from business and industry groups.
- Opportunities to network with other researchers.
- Support for planning your career beyond your research degree.
- Opportunities to collaborate with industry to advance your career (e.g. internships, industry-supported projects and so on).

OUR RESEARCH PROFILE
Edith Cowan University (ECU) conducts world-class research that makes a difference, focusing on people, partnerships and results.

As part of the vibrant community at ECU, our researchers help to transform lives and change the world for the better.

Examples of our ground-breaking research include:

- Early melanoma detection through a blood test
- Exercise as medicine for cancer patients
- Metal filtration to improve wastewater quality
- Biometric security system for smartphones
- Seagrass sequestration as an indicator for climate change
- Full blood count analysis for detecting Haemochromatosis

You can explore these projects and more at ecuworldclass.com

SOAR CENTRE
The SOAR Centre (Support – Opportunities – Advice – Resources) is a free, peer-to-peer support service open to Higher Degree by Research and Honours students.

The SOAR Centre provides support and information with a focus on a wide range of research skills training and career development.
Coming to university is like visiting a new country – it has its own language. And while we don’t expect you to become fluent in that language – what we call ‘uni-speak’ – it’s not a bad idea for you to become familiar with some of the things we cover here.

**Advance Standing**
Recognises your prior learning or training and can allow you to reduce the number of units you need to study to be awarded your ECU qualification.

**ATAR**
The Australian Tertiary Admission Rank, which is the primary criterion for entry into most undergraduate university courses for domestic students. International students are assessed for entry to undergraduate courses with an ATAR equivalent.

**Bachelor degree**
A qualification that requires three or four years of full-time.

**CRICOS**
CRICOS is the Commonwealth Register of Institutions and Courses for Overseas Students. A CRICOS code is allocated to education institutions (like ECU) who are approved to recruit, enrol and deliver education to overseas students.

**Double degree program**
Double degrees normally require four or five years of full-time concurrent study for two awards in a wide range of disciplines. Double degrees are available in selected areas only and incorporate study in two different fields, e.g. Bachelor of Science / Bachelor of Commerce.

**Double major**
Studies undertaken in two major unit sets under one degree. Some course structures specify double major requirements; other course structures allow for students to undertake a second major unit set of their choice.

**Duration**
The minimum amount of time required to complete a course. This is based on full-time study, unless the course is only available to be studied part-time.

**eLab**
A general computer lab for ECU students that has both PCs and Macs. It holds over 100 computer programs that support the courses taught at ECU. Printing, scanning and photocopying facilities are also available in the eLabs on all of our campuses.

**Full-Time Study**
If you’re enrolled in three or more units in a semester, this is considered full-time study. To complete most three-year degrees studying full-time, you’ll need to complete four units per semester (i.e. 24 units over three years). To meet your student visa requirements, international students on student visas need to be enrolled full-time at university.

**Graduate Certificate**
A qualification that requires a minimum of six months of full-time.

**Honours degree**
Degree courses taken with Honours require advanced study of up to one year full-time following the first three years of a Bachelor course.

**Major**
A set of units within a course that focus on a specified discipline, e.g. a Bachelor of Arts with a major in English.

**Masters**
A qualification that requires one, one-and-a-half, or two years of full-time.

**Minor**
A smaller set of units (normally six), which focus on a specified discipline.

**Online study**
Study undertaken externally or online.

**Overseas Student Health Cover**
International students on student visas need to pay Overseas Student Health Cover when paying the tuition fees applicable for the first semester. This is a compulsory and basic insurance product, covering emergency medical conditions, public hospitals and most of the cost of visiting a doctor.

**Postgraduate student**
A student pursuing a Graduate Certificate, Graduate Diploma, Masters, or Doctor of Philosophy.

**Practicum**
A part of a course providing learning experiences outside the University in a relevant professional setting, such as a school or hospital.

**Practicum Placement**
A practical, workplace experience required as part of your studies. During your practicum placement, you’re expected to meet the same work conditions as a normal member of staff. You won’t be paid for your practicum work, but it’s a great way to add to your CV and to build networks in your chosen field. It can also lead to employment after you graduate.

**Prerequisite**
Some study units have conditions of enrolment attached to them. If your unit has a prerequisite, you’ll need to have completed and passed this other ‘prerequisite’ unit prior to being able to enrol in or commence your unit.

**School**
Title given to academic organisational units within the University, e.g. School of Science.

**Semester**
The name given to the two standard teaching periods (Semester One and Semester Two) in the academic year.

**Undergraduate student**
A student pursuing a Diploma, Advanced Diploma, Associate Degree, Bachelor Degree or Honours.

**Unit**
Basic component of study normally comprising a weekly lecture and tutorial. A unit can be a foundation/core unit, major or minor unit, or elective unit.
2022 WORLD READY SCHOLARSHIPS

ECU has a range of World Ready Scholarships that are offered exclusively to international students commencing study in 2022.

Our World Ready Scholarships provide students with financial assistance as they gain world-class education at a university renowned for its teaching quality. Academic scholarship eligibility is automatically assessed upon submitting your application to study at ECU.

A separate application is required for our accommodation bursary. Visit ecu.edu.au/scholarships/offers for full details on each scholarship and the applicable terms and conditions.
