A global education

From tailored study tours to professional internships and short courses, you have access to a large range of international opportunities to gain a truly global educational experience.

Curtin campuses

We are internationally connected, with campuses located across five countries and partnerships with more than 130 tertiary education institutions worldwide. You'll receive a globally relevant education that encourages you to develop intercultural awareness, visit other countries and add international experience to your résumé.

Cross-campus

Our academic programs are the same across all Curtin campuses, so if your course is available at a different location, you can study there for a semester with no interruption to your progress. Each course included in this guide shows the locations where you can study it.

Exchange and study abroad

You can choose to go on a short-term program, undertake an international internship, engage in a volunteer program or challenge yourself by going on an exchange to one of our many partner universities in Africa, Asia, Europe, North America or South America.

The Aberdeen-Curtin Alliance

The Aberdeen-Curtin Alliance was established in early 2017, combining 500 years of academic strength, history and tradition at Scotland's University of Aberdeen with the ambition and innovation of Curtin University.

Dubai

At Curtin University Dubai you'll study in a city famed for its luxury lifestyle, architecture and geographical importance. The campus provides flexible access to highly regarded programs for students in the Middle East, India, Africa and Central Asia.

Mauritius

Two thousand kilometres off the south east coast of Africa, the tropical island of Mauritius blends cultures from Europe, Africa and Asia. Here you'll receive an internationally recognised education and can sample a variety of exciting leisure activities and sports.

Singapore

Curtin Singapore offers a starting point for everyone, delivering a range of pathway diploma, undergraduate, postgraduate, study abroad and English language courses. Curtin Singapore has close to 1,800 students currently enrolled with around half of our students come from a country outside of Singapore, which adds a valuable dimension to your university experience, both in and out of the classroom.

Malaysia

Located near the city of Miri, Sarawak, on the island of Borneo, Curtin University Malaysia has a beautiful garden campus nestled between the world's oldest rainforest and the South China Sea. You can enjoy warm weather all year, indulge in the local culture and food, and discover the area's natural wonders.

Kalgoorlie

Curtin Kalgoorlie puts Curtin students in the heart of WA's historic mining region.

Perth

Perth is a stunning, vibrant and multicultural city and the ideal place to mix study with sports, activities, dining and relaxation.

Curtin Perth is located just six kilometres from the city centre. It is a place of inspiration, with technology-rich learning spaces, high-impact research and a wide range of courses that prepare you for your future career.

A global university

Start your career with a globally recognised degree from a university ranked among the best in the world.

Curtin University welcomes more than 56,000 students from all over the world to its campuses in Australia, Malaysia, Singapore, Dubai and Mauritius. Some of our courses allow you to move between campuses during your studies, providing invaluable personal and academic opportunities.

Established in 1986, Curtin University takes its name from the widely respected former Prime Minister of Australia, John Curtin, and embraces his philosophy to “look ever forward”, instilling a culture of innovation in its teaching and research.

Curtin University has risen through international university rankings in recent years as its reputation continues to grow. The University is now ranked in the top one per cent of universities worldwide in the prestigious Academic Ranking of World Universities 2021.

Curtin University is also placed 17th globally for universities under the age of 50 in the QS 50 Under 50 Rankings 2021 and received five-stars plus for overall excellence in the QS Stars University Ratings.

Singapore

Study in one of the world's most cosmopolitan cities and receive a quality education at Curtin's Singapore campus.

Curtin Singapore, established in 2008, gives students access to a flexible, superb education in one of the world's most cosmopolitan cities. Students at Curtin Singapore can expect to build life skills, join an international community and become part of a forward-thinking culture committed to sharing innovative ideas. Whether you study at Curtin Singapore or at any Curtin University campuses, you can graduate with the skills to launch your career anywhere in the world.

Campus location and facilities

Curtin Singapore is located 15 minutes from the central business district and student has access to a wide range of facilities that make student life more convenient and productive. Lifestyle facilities include student lounges and academic facilities such as the library, campus-wide wireless internet and computer labs to support your learning experience.

Committee for private education

The Committee for Private Education (CPE) is part of SkillsFuture Singapore (SSG) and governs private education in Singapore. Curtin Singapore fully supports the legislation and works strictly within the EduTrust framework. Curtin Singapore has achieved EduTrust Certification and implemented mandatory requirements such as Fee Protection Scheme and the use of a PEI-Student Contract as required by the CPE.

Fee Protection Scheme

One important aspect of the EduTrust framework is the Fee Protection Scheme (FPS). Compulsory for both international and local students, the FPS serves to protect students against the loss of tuition fees due to malpractice by the course providers and in the event that a private education institution (PEI) is unable to continue operations due to insolvency and/or regulatory closure.

PEI-Student Contract

The PEI-Student Contract is a legally binding contract between Curtin Singapore and Curtin Singapore students that embodies the following mandatory requirements:

- clear definition of course details—course title, the qualification awarded, course duration
- full disclosure of all costs for tuition/ non-tuition fees
- clear definition of the refund policy
- clear definition of dispute resolution mechanisms.

Curtin Singapore students will be issued with a comprehensive PEI-Student Contract with their Letter of Offer.

Identical certificate awarded in both Singapore and Australia

Flexible transfer option between Singapore and Perth

Fast track programs through trimester academic year

Practical coursework ensuring industry ready graduates

Small class size ensuring supportive learning environment

Experience the most liveable city in Asia¹

Singapore is a city where the young and ambitious thrive, it's a land where cultures blend, opportunities abound, and the nightlife is exhilarating and vibrant.

Singapore offers a unique concentration of different leisure experiences to enhance your education journey, from its distinctive cultures and dining experiences, to a vibrant arts scene and world class shopping venues.

Studying at Curtin Singapore means getting a leading education in an exciting and modern setting while enjoying great quality of life in one of the safest cities in the world.

Enjoy some of the world's best food and entertainment

A nation of food enthusiasts, the city's culinary landscape has evolved tremendously in recent years and has expanded in range and variety. Beyond the astounding array of authentic street food and an emerging scene of innovative new dining concepts at a vast range of price points, Singapore is also home to interesting venues that provide hands-on culinary experiences. In Singapore, food forms a central part of culture and is always accessible no matter where you are.

Packed with concerts and exciting entertainment options, Singapore's vibrant events calendar means that there is always something to do on this sunny island. Annual highlights include the multicultural dance, music and visual feast at Chingay Parade and the spectacular fireworks finale at Marina Bay Singapore countdown party.

Stay in touch with the people you love

Since Singapore is located in the same time zone as countries like Malaysia, Hong Kong, China and Philippines, it's convenient to contact your loved ones while you study.

Alternatively, why not catch the next flight home? Singapore's international airport is well served by flights and designated Vaccinated Travel Lane flights connecting the region with the world. Frequent flights and a broad choice of airlines mean it's easy for you to visit home.

Transport and getting around

Transportation within Singapore is a breeze. A well-connected public transport system and road network enables easy access to Singapore's world-class attractions such as Singapore Zoo, Gardens by the Bay, Clarke Quay and Universal Studios, as well as excellent shopping opportunities.

Living costs in Singapore

Your day-to-day living costs will vary based on your tastes, interests and financial position. You should plan a budget to suit your needs, but make sure it is flexible enough to allow for changes. Singapore is a large city with a range of options to suit the lifestyle you choose.

Monthly living expenses	(SGD\$)
Accommodation	\$1,000 to \$1,800 per month
Public transport	\$80 to \$120 per month
Food	\$600 to \$1,200 per month
Communication	\$30 to \$110 per month
Recreation	\$200 to \$500 per month

Pathways

If you don't meet our minimum entry requirements, you may complete a program at Navitas English, Curtin College or both. These pathways enable you to study at different levels and progress to an undergraduate or postgraduate course at Curtin Singapore.

Pathway

If you don't meet our minimum entry requirements, you may complete a program at Navitas English, Curtin College or both. These pathways enable you to study at a number of different levels and progress to an undergraduate or postgraduate course at Curtin Singapore.

Navitas English

If you don't meet the English language entry score required for your program, consider first taking the Diploma of English for Academic Purposes program at Navitas English. The Diploma consists of four 10-week modules: two General English modules and two Academic English modules.

Curtin College Diploma

If you don't meet the University's academic entry requirements, Curtin College offers an option to transition from a diploma straight into the second year of the corresponding Curtin University bachelor program in Commerce, Computing, Information Technology or Mass Communication.

Course types

Undergraduate

Bachelor degree: A bachelor degree is the first degree earned at a university. At Curtin, it is awarded for completing an undergraduate course of study.

Diploma of English for Academic Purposes progression pathway

Curtin College Diploma progression pathway

Refer to page 10 for more details on entry requirements.

Postgraduate

Graduate certificate: As a short vocationally-oriented program, graduate certificate courses are designed to develop skills in a specialised area of study.

Graduate diploma: The graduate diploma is a specialised, vocationally orientated award usually completed in two trimesters on a full-time study mode, or four

trimesters on a part-time study mode. Entry is usually based on completion of a bachelor degree.

Master degree: A school may accept you into a master degree provided you hold appropriate qualifications as decided by the head of school.
